

The AH-HA Moments Legacy Building Guide

When Success Isn't Enough Anymore

"The top of the ladder means nothing if it's leaning against the wrong wall."

This Is Your Stage If...

Your bio is impressive but your spirit is tired

You've achieved everything but feel nothing

Success feels hollow without significance

You're asking "What was this all for?"

Tool #1: The Success Audit

Separate achievement from fulfillment

List your top 10 achievements:

1. _____ → Joy Level (1-10): ____
2. _____ → Joy Level (1-10): ____
3. _____ → Joy Level (1-10): ____
4. _____ → Joy Level (1-10): ____
5. _____ → Joy Level (1-10): ____
6. _____ → Joy Level (1-10): ____
7. _____ → Joy Level (1-10): ____
8. _____ → Joy Level (1-10): ____
9. _____ → Joy Level (1-10): ____
10. _____ → Joy Level (1-10): ____

THE TRUTH:

Anything below 7 = achievement without alignment

THE QUESTION:

What would you trade all the low-joy achievements for?

Tool #2: The Empty to Essential Pivot

From resume virtues to eulogy virtues

Complete honestly:

What I'm KNOWN for:

- .
- .
- .

What I want to be REMEMBERED for:

- .
- .
- .

The GAP is your work now.

Bridge Building Exercise

For each gap, write ONE action you could take this month to shift from "known" to "remembered":

1

Gap 1 Action:

2

Gap 2 Action:

3

Gap 3 Action:

Tool #3: The Legacy Project Designer

Something bigger than your next promotion

Design your "Significance Shift":

WHO needs what you have?

WHAT transformation could you facilitate?

WHERE is this change most needed?

WHEN could you start? (Hint: Now)

WHY does this matter to your soul?

HOW can you use your current success as a springboard?

Tool #4: The Resource Redirect

Your success has given you tools - use them

Inventory your transferable assets:

INFLUENCE:

Who would take your call? List 5:

EXPERTISE:

What do you know that others need? List 3:

RESOURCES:

What can you invest (time/money/platform)? Amount:

CONNECTIONS:

Who could you introduce to accelerate good? List 3:

 Now: Pick **ONE** asset and deploy it for your legacy THIS WEEK.

Tool #5: The 5-Year Future History

Write your legacy story before you live it

Complete this future article about yourself:

[DATE 5 YEARS FROM NOW] - HEADLINE:

"From Corporate Success to Significant Impact: How [Your Name] _____"

The story begins: "Five years ago, [Name] was at the top of her field but felt _____. Today, she's known for _____ which has impacted _____ lives through _____"

Quote from you: "The moment I shifted from achieving to contributing was when _____."

Quote from someone you've impacted: "Because of [Name]'s work, I _____"

The ripple effect: "What started as _____ has now become _____"

Write this story, then live it.

From Empty to Essential

The Truth: You didn't climb this high to feel this low.
But you DID climb this high to see further and lift others.

Your emptiness isn't failure - it's an invitation to fill your life with what matters.

Ready to lead others? When legacy is clear, you're
"Ready to Rise - Leadership Framework."
